RAPAC PROTECTS YOUR LIVELIHOOD IN REAL ESTATE

 RAPAC helped stop hits to the Mortgage Interest Deduction for American homeowners saving them thousands of dollars. Homeownership is not a loophole!

According to NAR research, more than 3/4 of homeowners utilize the deduction over the period they own their home and eliminating it would cause a 15% decline in the value of home ownership across the nation.

 RAPAC has stopped costly fire sprinkler mandates for single-family homes and saved your clients thousands of dollars.

 RAPAC stopped Homeowners' Associations from charging additional fees when transferring a deed between family members.
