

INTRODUCING! My BrokerCoach

Thinking about becoming a Broker? Manager? Opening your own office?

Working from home as a self employed Broker ?

Just want to enhance your knowledge and improve your skills?

We have a great opportunity for you!

MODULE 100 – MY BROKER COACH

This module helps you understand the systems you will need to put in place, including business planning, budget development and profitability, policies and procedures, forms, file systems, office management, technology, staffing, business models, types of insurance needed, and ADRE requirements and rules.

INTRODUCTORY PRICE OF ONLY \$49.00 FOR THE ENTIRE MODULE!

(This price will be offered until December 31, 2012)

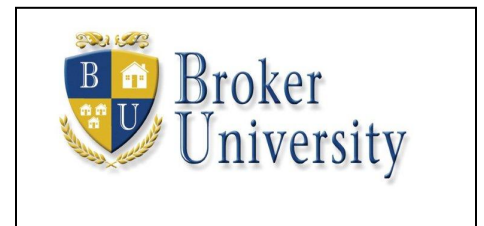

Chapter 1 – Setting Up Your Company

Chapter 2 – Business Planning

Chapter 3 – Budgeting

Chapter 4 – Developing Policies

Chapter 5 – E & O Insurance

My Broker Coach is a blended learning environment for brokers who want to hone their skills and knowledge and this program is designed to fill that gap. It consists of online education segments, homework assignments/activities and individual coaches/mentors assigned to each chapter to give you tips and feedback. Each segment is 30 to 40 minutes (home work will take a little extra time) completed at your own pace and when you have time.
