designation and certification courses to	
members in a favorable financial	
environment.	
Educational programs are offered that	
address the needs of the members in	
helping them grow their business and	
prepare for changing trends in the industry.	
A forum for local education staff and ADRE	
(updates and Q&A on school process,	
policies, and guidelines) is provided.	
Effective communication strategies are	
developed and utilized to inform members	
of educational opportunities, including a	
calendar that is accessible 24/7.	
Resources are available to local education	
staff and volunteers charged with	

overseeing or developing their education	
endeavors.	
Cross marketing strategies are utilized to promote designation and certification courses where appropriate.	
A list of colleges is compiled that offer real estate degrees in Arizona.	

Education Development

Established quality standards are followed in developing curriculum for all AAR education programs to help set the bar for excellence in education. The spectrum of delivery systems is broadened and monitored to deliver education to the members. Remote-delivery classroom volunteer monitors and instructors are trained in the chosen AAR platform. A library of AAR c/e courses which can be delivered live or remote is developed, monitored and maintained. A vehicle is used, available and monitored for members to review and comment on instructors and courses. Emerging education trends are monitored throughout the year and programs developed which are responsive to the changing industry and needs of members. Trends (content and delivery platforms) are closely monitored to ensure AAR utilizes the most effective delivery systems and technologies Assistance is available, when appropriate, to help enhance prelicensing and postlicensing curriculum criteria and/or the ADRE processes. Pertinent, relevant and timely industry and	
association information is broadcast to	
members utilizing all methods of	
electronic/print/media delivery (i.e., social	
networks, e-publishing, website, video,	
newsletters or magazine, etc).	
Trends inside and outside of the real estate	
industry are monitored throughout the year.	
Members are aware of AAR's value	
proposition and relevancy to their business	
practice through key WIIFM messages in	
AAR's communication strategies.	
Opportunities are available for members to	
share their insights and engage with content	
through comments polls, contests, etc.	
Communications vehicles are closely	
monitored evaluated and evolve as	
needed.	
Options are explored to identify members	
preferred communication methods and	
steps taken to delivery information the way	
members want to receive it.	
Communication briefs for each of AAR's	
communication vehicles are maintained and	
evaluated annually.	
Social media channels are managed and	
monitored to ensure a steady rise in	

engagement and alternate sources for	
members to receive information.	
A modern, functional website which	
provides information and resources to	
members 24/7 is maintained and enhanced	
as needs expand and technology evolves.	
Print and digital collateral adheres to the	
AAR brand and is member centric and	
speaks to AAR's value proposition.	
The use of video communication is	
expanded.	
Communication statistics are compiled and	
reviewed monthly.
