RESIDENTIAL SELLER DISCLOSURE ADVISORY

Document updated: February 2014

WHEN IN DOUBT - DISCLOSE!

Arizona law <u>requires</u> the seller to disclose material (important) facts about the property whether or not you are asked by the buyer or a real estate agent. These disclosure obligations remain even if you and the buyer agree that no Seller's Property Disclosure Statement ("SPDS") will be provided.

The SPDS is designed to assist you, the seller, in making these legally required disclosures and to avoid inadvertent nondisclosures of material facts. To satisfy your disclosure obligations and protect yourself against alleged nondisclosure, you should complete the SPDS by answering all questions as truthfully and as thoroughly as possible. Attach copies of any available invoices, warranties, inspection reports, and leases, to insure that you are disclosing accurate information. Use the blank lines to explain your answers. If you do not have the personal knowledge to answer a question, it is important not to guess – use the blank lines to explain the situation.

If the buyer asks you about an aspect of the property, you have a duty to disclose the information, regardless of whether or not you consider the information material. You also have a legal duty to disclose facts when disclosure is necessary to prevent a previous statement from being misleading or misrepresented: for example, if something changes.

If you do not make the legally required disclosures, you may be subject to civil liability. Under certain circumstances, nondisclosure of a fact is the same as saying that the fact does not exist. Therefore, nondisclosure may be given the same legal effect as fraud.

If you are using the Arizona Association of REALTORS® ("AAR") Residential Resale Real Estate Purchase Contract, the seller is required to deliver to the buyer "a completed AAR Residential SPDS form to the Buyer within five (5) days after Contract acceptance." If the Seller does not provide the SPDS as the Contract requires, the Seller is potentially in breach of the Contract, thereby enabling the Buyer to cancel the transaction and receive the earnest money deposit.

Please note: By law, sellers are not obligated to disclose that the property is or has been: (1) a site of a natural death, suicide, homicide, or any other crime classified as a felony; (2) owned or occupied by a person exposed to HIV, or diagnosed as having AIDS or any other disease not known to be transmitted through common occupancy of real estate; or (3) located in the vicinity of a sex offender. However, the law does not protect a seller who makes an intentional misrepresentation. For example, if you are asked whether there has been a death on the property and you know that there was such a death, you should not answer "no" or "I don't know"; instead you should either answer truthfully or respond that you are not legally require to answer the question.

MESSAGE TO THE SELLER:

Sellers are obligated by law to disclose all known material (important) facts about the Property to the Buyer. The SPDS is designed to assist you in making these disclosures. If you know something important about the Property that is not addressed on the SPDS, add that information to the form. Prospective Buyers may rely on the information you provide.

INSTRUCTIONS: (1) Complete this form yourself. (2) Answer all questions truthfully and as fully as possible. (3) Attach all available supporting documentation. (4) Use explanation lines as necessary. (5) If you do not have the personal knowledge to answer a question, use the explanation lines to explain. By signing on page 7 you acknowledge that the failure to disclose known material information about the Property may result in liability.

MESSAGE TO THE BUYER:

Although Sellers are obligated to disclose all known material (important) facts about the Property, there are likely facts about the Property that the Sellers do not know. Therefore, it is important that you take an active role in obtaining information about the Property.

INSTRUCTIONS: (1) Review this form and any attachments carefully. (2) Verify all important information. (3) Ask about any incomplete or inadequate responses. (4) Inquire about any concerns not addressed on the SPDS. (5) Review all other applicable documents, such as CC&R's, association bylaws, surveys, rules, and the title report or commitment. (6) Obtain professional inspections of the Property. (7) Investigate the surrounding area.
