Transaction Management Systems

From 2008 through 2013, the Arizona REALTORS® encouraged the adoption of electronic Transaction Management (TM) systems in Arizona brokerages by providing SureClose® as a member benefit. Later, as new, modern TM systems began appearing, the association evolved to a consultative role, rather than providing the system itself.

Education Outreach through AAR brings education classes to local areas around the state — take time for your professional development — build your network, sharpen your skills, increase your knowledge & increase your income. Many REALTORS® attribute success to their continued real estate education.

Code of Ethics Education Requirement — NAR

REALTORS® are required to complete ethics training of not less than 2 hours, 30 minutes of instructional time within four-year cycle. The training must meet specific learning objectives and criteria established by the National Association of REALTORS®. The current four-year cycle will end Dec. 31, 2016.

Transaction Management Systems

From 2008 through 2013, the Arizona REALTORS® encouraged the adoption of electronic Transaction Management (TM) systems in Arizona brokerages by providing SureClose® as a member benefit. Later, as new, modern TM systems began appearing, the association evolved to a consultative role, rather than providing the system itself.

Education

Education Outreach through AAR brings education classes to local areas around the state — take time for your professional development — build your network, sharpen your skills, increase your knowledge & increase your income. Many REALTORS® attribute success to their continued real estate education.

Code of Ethics Education Requirement — NAR

REALTORS® are required to complete ethics training of not less than 2 hours, 30 minutes of instructional time within four-year cycle. The training must meet specific learning objectives and criteria established by the National Association of REALTORS®. The current four-year cycle will end Dec. 31, 2016.
