

Arizona REALTORS®

TALKING POINTS – OCTOBER 2018

PROTECT ARIZONA TAXPAYERS ACT

November 6, 2018 General Election Results: **Proposition 126 Won!!! With 65% of the vote (1,055,596 votes!)**

SINGLE SIGN-ON

In March our newest benefit as members of the Arizona REALTORS, Single Sign-on was launched. Single sign-on is a dashboard designed to help members save time and improve their security, and gives members one central location in which they can access the websites and applications they use the most in their business every day. And you only need to use one password! Basically the need to keep track of different passwords for each website or application has been eliminated! If you haven't signed up, please do so today!

****If there are members who have not enrolled yet, ask them to do it today. Even if they are not in front of a computer, they can do it on their phones!***

The easy enrollment steps:

1. Ask them to open a web browser and go to **dashboard.azrealtorso.com**.
2. Their user name is their **NRDS ID** and their password is their **last name (first letter is capitalized)**.
3. Three things will happen; they will be asked to:
 - a. agree to the user agreement
 - b. provide the answers to 3 security questions, and
 - c. create a new password.

That's it – they are enrolled!

Additionally, brokers can also have a presence on the Arizona REALTORS® SSO dashboard; there are three ways to participate, one of which is FREE!

If you have any questions about Single Sign-on please feel free to contact Nick at nickcatanesi@aaronline.com, or Michelle Sinclair at michellesinclair@aaronline.com.

RISK MANAGEMENT

Fraud Awareness:

This year we published a guide called "A Brokerage's Guide to Cyber Insurance" was published. The intended purpose of this guide is to assist brokers with understanding the different types of cyber insurance that are available and what they cover, and how to navigate the process of securing cyber insurance. Along with this new guide, we previously released a "wire fraud advisory" and our "cyber security and wire fraud policies and procedures" for brokers, all in an effort to help educate our members on how to protect themselves from cybercrime.

Message from General Counsel Scott Drucker:

“As you know, the Risk Management Committee implements and oversees programs designed to mitigate risk for consumers, as well as all Arizona REALTORS®. To achieve its goal, the Committee tries to stay abreast of risk management issues that members are experiencing across the state. I therefore wanted to reach out to the five of you and welcome you to share with me and Committee Chair, Beth Adams, any risk management issues members are experiencing in your respective region. Additionally, if there is any action your region would like the Risk Management Committee to consider taking, please don’t hesitate to share that as well.

Our next Risk Management Committee meeting will take place in approximately one month, Thursday, September 20th. If there are issues you would like the Committee to consider at that meeting, please be sure to provide those to us no later than Thursday, September 6th.

Thank you and please don’t hesitate to contact me with any questions. Have a great day!”

***RVPs, please ask the attendees if they have any Risk Management concerns for your region.**

TOTES FOR HOPE:

The Totes for Hope Initiative to help the homeless is still going strong! While I Boston, Monica Schulik, Paula Monthofer and many members from Arizona and other states took hygiene products that were donated by the attendees to homeless organizations in the city.

Monica has put together an Amazon Wish List at this link:

https://www.amazon.com/registry/wishlist/XQH67WJDXLH3/ref=cm_sw_em_r_mt_mt_wl

To find the list:

1. Go to Amazon.com
2. Click on “Accounts & Lists”
3. Click on “Find a List or Registry”
4. Type in “Monica Schulik”

If you are interested in donating items, you can select any item(s) from the list, it will ship directly to the Arizona REALTORS building and Monica will deliver it to the organizations in Phoenix. It’s that simple!

With the holidays coming up we’d like to get as many items ordered and donated as we can to help keep our homeless population warm and fed for the season. Thank you!

If you are interested in learning more about this initiative, please contact Monica Schulik.
