Dear Sir or Madam:

Thank you for Arizona Association of Realtors' gift to the California Community Foundation. We received the donation of \$25,000.00 on December 07, 2018 for California Association of REALTORS Disaster Relief Fund.

We all have the opportunity to make a difference, every day. The California Community Foundation is honored to be your partner in building the future of Los Angeles together.

On behalf of the board and staff, I would like to thank you for entrusting us with your charitable gift and allowing us the opportunity to help you realize your vision and legacy for a better tomorrow.

Sincerely,
