*The Government Can't Do It All. Preventing Arizona cities from becoming like many California cities will take all of us working together to raise the money needed to build the affordable housing inventory our state needs.*

### **STEP THREE:**

**Create your marketing plan and get started raising money:**

- Train your staff to promote AZHF donations.
- Print flyers and table top tents to advertise that your company is an AZHF Fundraising Partner.
- Create your email campaign to spread the word.

Help Arizona reach the goal of raising  
**\$10 MILLION A YEAR**

### **STEP FOUR:**

- Present the Escrow Donation Form (from the Toolkit) to buyers prior to closing.
- Once funds are collected by the Escrow Company, they send donations to Arizona Housing Fund at Arizona Community Foundation.

### **Thank you**

for helping build more affordable housing to meet the community's growing needs

and reducing homelessness.
