Board of Directors
Arizona Association of Realtors®
255 East Osborn Road, Suite 200
Phoenix, Arizona 85012

Dear Board Members:

We are engaged to audit the financial statements of Arizona Association of Realtors® (the Association) for the year ended December 31, 2019. Professional standards require that we provide you with the following information related to our audit. We would also appreciate the opportunity to meet with you to discuss this information further since a two-way dialogue can provide valuable information for the audit process.

Our Responsibility under U.S. Generally Accepted Auditing Standards

As stated in our 2019 engagement letter, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities.

Our responsibility for the schedules of other revenue and accumulated operating surplus accompanying the financial statements, as described by professional standards, is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

- 1) Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement.
- 2) As part of our audit, we will consider the internal control of Arizona Association of Realtors®. Such considerations will be solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.
- 3) We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.
- 4) We are also responsible for communicating matters required by law, regulation, agreement, or other requirements applicable to the engagement.

We gave significant consideration to nonattest services expected to be provided including preparation of the Association's financial statements and related notes, fixed asset schedules, and tax return which may reasonably be thought to bear on independence, in reaching the conclusion that independence has not been impaired.

Planned Scope, Timing of the Audit, and Other

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested.

Our audit will include obtaining an understanding of the Association and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the Association or to acts by management or employees acting on behalf of the Association. We will generally communicate our significant findings at the conclusion of the audit. However, some matters could be communicated sooner, particularly if significant difficulties are encountered during the audit where assistance is needed to overcome the difficulties or if the difficulties may lead to a modified opinion. We will also communicate any internal control related matters that are required to be communicated under professional standards.

Jay Z. Parke is the engagement partner who will supervise the engagement and Steven L. Tait will provide the technical review and oversight and is responsible for signing the report or authorizing another individual to sign it. We expect to begin our audit the week of January 27, 2020, and to complete the audit engagement in accordance with our mutually agreed upon timeline.

This information is intended solely for the use of the board of directors and management of Arizona Association of Realtors® and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

W&A/ers

Communication with Those Charged with Governance

March 18, 2020

To the Board of Directors
Arizona Association of REALTORS®, Inc.
Phoenix, Arizona

We have audited the financial statements of Arizona Association of REALTORS®, Inc. (the Association) for the year ended December 31, 2019, and have issued our report thereon dated March 18, 2020. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 20, 2020. Professional standards also require that we communicate to you the following information related to our audit.

Qualitative Aspects of Accounting Practices - Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Arizona Association of REALTORS®, Inc. are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2019. We noted no transactions entered into by the Association during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting Estimates - Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive accounting estimates affecting the financial statements of the Association.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit - We encountered no difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements - Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. The misstatements detected as a result of audit procedures were corrected by management and are presented in *Exhibit 1*.

Disagreements with Management - For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations - We have requested certain representations from management that are shown in the attached *Exhibit 2*.

Management Consultations with Other Independent Accountants - In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Association's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues - We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Association's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters - With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the board of directors and management of Arizona Association of REALTORS®, Inc. and is not intended to be, and should not be, used by anyone other than these specified parties.
