

Arizona's overall real estate industry is vital—it brings more than **\$75.1 BILLION** to our state's economy—**20.5%** of our gross profit. This includes an economic impact of **\$88,716** per typical home sale. And, a home has never been more important.

You can count on **REALTORS®** to continue:

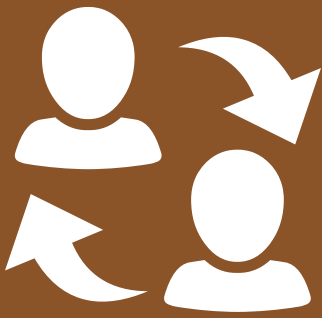

To **ADVOCATE** for your real estate interests at the federal, state and local government

To **HELP** you negotiate the best deal, while avoiding delays or costly mistakes

To **TRANSLATE** complex real estate contracts, terms, rules and laws

To **PROMOTE HEALTH** and **SAFETY** while completing your real estate transaction efficiently

To **IMPROVE** our communities for all Arizonans

The **BEST** prepared real estate practitioners with the **HIGHEST** standards...

THAT'S WHO WE 

**ARIZONA
