Clarkdale Historical Society and Museum

Though the building is not open, the Clarkdale Historical Society and Museum is very active! Please visit our website (clarkdalemuseum.org). There you will find that membership applications and donations are now online. Virtual visits are a work in progress but there is a lot of information that can be accessed right now.

Recently, CHSM submitted a recommendation that the Town include an element for historical preservation in the new General Plan.

You can donate to the CHSM at no cost. Visit the Fry's Food website and click on 'Community Rewards' and follow the simple steps. Every time you shop at Fry's, a donation will be made to CHSM. Amazon has a similar program. Instructions will soon be posted at clarkdalemuseum.org

CHSM is working with the Town on modifications to the Museum building in preparation for a safe reopening. The museum will not open until it is safe for our guests and volunteers.
