

Bringing the Homeless Home.

Close on your home & get someone closer to home.

Congratulations on selling or buying your home! At the close of escrow, all involved in the transaction have the opportunity to donate \$25 to the Arizona Housing Fund to help create affordable housing opportunities for the homeless in our community. Arizona Housing Fund partners and supporters — REALTORS®, builders, escrow and title companies — invite you to join them and donate too. We can all work together to put home within reach for those who need it the most.

THE ISSUE WE FACE

With housing costs on the rise and a shortage of affordable housing available, the number of people facing homelessness in our area is at an all-time high.

HOW YOU CAN HELP

By creating affordable housing opportunities, your donation — amplified by the donations from the residential real estate industry — can help end the cycle of homelessness for low-income individuals and families while creating a pathway to permanent housing with supportive services that ensure better outcomes for those who need it most.

We believe everyone deserves to have a place to call home.

MAKE A DIFFERENCE WHEN YOU MAKE A DONATION DURING CLOSING.
