

master plan design concepts

The master plan process produced three design concepts with different themes, layouts, and characteristics. Community feedback on these design ideas will help guide further master plan development.

Stewardship through Learning

Parcels programmed by interpretive theme

Connection & Movement

Passive recreation and connectivity are emphasized

Active Recreation

Focus on programmed recreation

March 11, 2021

Dear Community Member:

MESSAGE FROM THE GVC PRESIDENT

The Council hosted ZOOM trainings for new HOA Presidents, Secretaries, Treasurers and Member Representatives last week. I had the privilege of “meeting” the new Presidents and Member Representatives. Thank you again for volunteering your time to your HOA and your neighbors. Watch your email for the announcement of the upcoming Goldschmidt/Shupe webinar. It will focus on CC&R issues. And remember, your Executive Committee rep is your liaison to the Council. Please be candid with them about issues and concerns within your community. The more we know – the more we can assist.

I would also like to extend my thanks not only as president of the GVC, but also as a resident of this wonderful community, to two extraordinary groups of people. On Monday, March 3rd, thirteen (13) members of the GVSAB (in the span of 3 hours) contacted over 700 people by telephone to notify them of their 2nd Covid-19 shot appointment! Between March 3rd and March 5th, the GVC staff and three (3) volunteers logged over 90 hours answering and returning phone calls on COVID-related appointment issues.

There are not enough ways to say, **“Thank You!”**

Debbie Kenyon

GVC Committee Reports

Canoa Hills Trails Park Survey Results

GVC Parks Advisory Standing Committee, Debbie Kenyon, Chair
The GVC Foundation, Friends of Canoa Parks

At the general public meeting on the Draft Master Plan for the Canoa Hills Trails Park, the Pima County Flood District relayed the results of the responses (n=584) to the survey as of February 19, 2021.

- 89% of responses came from Green Valley residents.
- 62% live within 5 miles of the Trails.
- 31% visit 3 or more times per week.
- 64% arrive by motor vehicle.
- 79% engage in walking and running activities.
- 30% hope to engage in picnicking and other social gathering events.
- 60% predominantly use the park area east of Camino del Sol.
- 20% use the western park area.
- Restrooms are most desired amenity.
- Ecological restoration was the most important project goal.

You still have until March 25, 2021 to participate in the survey!

Log onto the GVC home page at www.gvcouncil.org or search for Canoa Hill Trails-Open Space Park, Pima County.

Recent Planning & Architectural Activities

Planning & Architecture Standing Committee, Bill O'Malley, Chair
Submitted by Mary Olson

The Planning & Architectural Committee has recently Reviewed and Proposed Changes to the Pima County Sign Code and to help preserve Green Valley's southwestern style and dark skies. More recently the committee reviewed proposed plans for construction of the New Commerce Bank Building at 265 W Continental Road. At its last meeting in February, the committee members discussed the location of the Electronic Message Board at the Valley Presbyterian Church on Camino del Sol and the painting of the Canopy Poles for the Marathon Station located at 3000 Camino Del Sol (*see the Planning &*

Temporary Appointments for a Corporate Secretary and Member-at-Large

Executive Committee, Debbie Kenyon, President

There are two (2) vacancies on the Executive Committee, the corporate Secretary and a Member-at-Large, which have not been filled. Because the Council's Board of Representatives cannot yet meet under Covid-19 guidance, these positions will not be filled before the Fall or early Winter. The reason for these temporary appointments is two-fold. First, the Executive Committee members would appreciate the help, and second, the temporary appointees would be able to gain experience vis-à-vis committee activities and actions. The appointee must be a Green Valley resident, preferably a HOA homeowner, and knowledge of the Green Valley Council and its Board of Representatives would be advantageous. If you are interested, please call 520-648-1946 or email info@gvcouncil.org. The appointments will be made prior to the Executive Committee monthly meeting, which will be held on April 14, 2021.
