

Region 5 RVP Report for June 4th ExCom Meeting

Tucson Association of REALTORS®

President, Diane Marzonie

Advocacy:

Working closely on policy with the city/county regarding differential water rates.

City is also working on policy around ADU's

We are hosting a forum for candidates for City Council at the end of June

RAPAC is moving along well and focused on the current billing cycle to get us to our goal.

100th Anniversary

Had a great Press Conference and drive through event with over 300 people coming to the association! Press Conference we celebrated with local officials and had a \$100,000 gift in our honor to a local charity

We have almost completed our \$100 for 100 campaign that will be supporting 5 local charities.

One of our members, Margaret Glover, turned 100 on May 26th so we celebrated her as well

We have videos of all past presidents that will be up on our website. Steve Redmond did the interviews

We also had a great historical timeline put together by one of our members chronicling the history of TAR

We are planning for our big event on November 4th.

We have opened up the building and groups are starting to come back to reserve space

Classes are also opening up but we will continue to do many offerings via video

Committees and the Board is anxious to get back in person and will do so with our June meetings.

We are working on our next strategic plan.

We just completed the audit with a "clean" opinion!

Green Valley/Sahuarita Association of REALTORS®
