Greetings Michelle:

It is a joy to share the collaborative efforts of Pima Foundation in ensuring our PCC students are receiving the funds you chose to contribute. I not only have a working relationship with PCC's office of Financial Aid and Scholarships, but I also assist in keeping Scholarship Universe up to date with the criteria of your scholarship.

I am pleased to report that the following student(s) have received the **Arizona Association of Realtors Real Estate Education Scholarship** to support educational expenses during the 2021 fall semester:

Student Name	Program of Study	Scholarship Awarded
Carlos Vazquez	Business Administration	\$700

Mark your calendar for October 7, 2021. Pima Foundation is planning an extraordinary, hybrid event—Pima Foundation Presents, Rev It Up! Interested in a partnership, sponsorship, or individual tickets? Visit pimafoundation.org/rev-it-up-opportunities and keep an eye on the Foundation and Pima Alumni's social media channels for exciting announcements.

Pima Foundation is most grateful to you and your commitment to PCC students. If you are willing to give a testimonial related to your scholarship gift, please contact Lisa Mandel (Lisa@PimaFoundation.org). Lisa will assist you in documenting the details. I know the story behind your contribution will encourage others to empower PCC students and move the needle forward on Tucson's workforce. Please email me with any questions or updates you may have regarding your established fund.

Sincerely,

Zulma Tapia
